Annual Show and Sale November 14th & 15th 2009

Caw Hall 124 Bunting Road

St Catharines, Ontario

Map & Info at: www.niagaraorchidsociety.org

The Niagara Region Orchid Society invites you to participate in our Annual Show and Sale. The show takes place on Saturday November 14th and Sunday November 15th at the Caw Hall at 124 Bunting Rd. St Catharines. We will be open to the general public both days from 10am until 5pm. The “display area” will be open to photographers at 9am on Sunday.

Show set up is on Friday from 11am to 9pm, with registration available from 2pm to 9pm. You may pre-register your display plants anytime before 10pm Thursday November 13th. Even if you are unsure of all of your plant entries, you are encouraged to pre-register as many as possible. Please note that it is MUCH easier for us to add or cancel an entry on your registration form than starting from scratch on Friday during set up. With pre-registration, you will not have to wait for your plant tags. Please note that no part of your display may be removed before Sunday at 5pm.

Our Judging Show Chair this year is Mr. Claudio Rossi. Mr. Rossi is an international AOS accredited judge. Judging will take place Saturday 8am -10am. Ribbons and prizes will be placed on the winning entries at that time.

A request for EXHIBIT space can be made by e-mailing the completed vendor/exhibitor request form. Exhibit space is FREE. We have display classes ranging from 1-5 orchid plants to over 25 plants. Each flowering orchid plant can be entered separately. Photographs and art work are also very welcome. See the show schedule on our website for a list of available individual and display classes.

A request for VENDOR space can be made by mailing the completed vendor/exhibitor request form along with payment to the address on the form. Vendor table space is available for \$130 Canadian per 8 ft front table, with a maximum of 2 tables per vendor. This fee includes a 6ft x 18inch back table. No other back tables will be permitted! Sales space will be allotted based on the order of applications received.

Please note that plant Vendors are required to set up a quality exhibit with no less than 10 flowering orchid plants. Art/photography vendors are required to enter 4 pieces of their work into the competition. They can be set up creatively as a group display or placed individually. All Vendors are asked to donate an orchid plant or piece(s) of their art/craft for our “lucky draws” located in the front foyer. We will be listing vendors on our website with a link as soon as payment is received. We would appreciate if you could link our site and list our show dates on your website as well.
